

If an administrative leave or action is imposed, Compliance or HR will ask the Office of Sponsored Programs (OSP) for a list of PIs or Co-PIs on NSF-funded awards

to any personnel not in compliance, Tennessee Tech will make appropriate arrangements to ensure the safety and security of other award personnel and the continued progress of the funded project. Notifying NSF of these actions is not required.

OSP will work with NSF and other appropriate offices as needed, with the goal of ensuring the safety and security of other award personnel and the continued progress of the funded project. Actions necessary may include, but are not limited to:

- Replacement of the PI or Co-PI
- Review of expenditures on the award
- When necessary, transfer of unallowable charges off the award
