SGA Resolution SR-F22-R005

A Resolution to Increase the Amount of Bike Racks in Heavily Trafficked Areas on Campus

Whereas bicycle travel is a fantastic way to promote personal well-being and environmental awareness as opposed to vehicular travel; and

Whereas many Tech students use bikes to navigate campus; and,

Whereas bike racks are necessary to ensure the security of personal bikes; and,

Whereas many current bike racks are consistently full and other locations could benefit

For SGA Officer Use Only
